

# Gulf Coast Highway

A 20 mile span of U.S. Highway 19 has been designated as “Gulf Coast Highway” as part of Pasco County's effort to rebrand the image of this busy corridor in West Pasco. In cooperation with FDOT, Florida Legislature, Pasco County, West Pasco Board of Realtors, City of New Port Richey and the Greater Pasco Chamber of Commerce - the birth of the Gulf Coast Highway Road Maintenance Organization has emerged. This organization is made up of Business Owners who support the upkeep and maintenance of these medians through annual sponsorships.

Pasco County is working to beautify the corridor with landscaping that has a coastal theme.

This is a great opportunity for businesses to support the continued beautification of this corridor and continue to attract NEW businesses to the area while also gaining exposure on the busiest corridor in the county.

Purchase your sponsorship package today by returning the sponsorship form and your check made payable to Gulf Coast Highway Maint. Org. at the address below.

Sign placement and wording is approved by you!
